

MASTER COORDINATOR REPORT EURO MASTER SERIES 2011

*Luc Dumonceau
Masters Co-ordinator*

This season has been a very positive one. 13 venues sailed.

I sailed 12 of them.

500 sailors were classified and 100 of them sailed more than one venue.

Only one issue at the European championship. The ladies Grandmaster and Great-Grandmaster did not receive any prize in their age category, and were not even mentioned. This was probably due to a misunderstanding between the Douarnenez organizing committee and the ILCA.

I will present a proposal at the assembly.

Please find below the 2012 Master calendar, with 13 beautiful regattas.
