Trapezoid courses will be used with inner and outer loops and an upwind finish.

10. PENALTY SYSTEM

10.1. Appendix P will apply, with the following amendments:

- (a) If a first penalty is signalled after she has finished, a boat will be given a scoring penalty of 8 points without a hearing.
- (b) Appendix P3 is modified to read: 'If a boat has been penalized for the first time under Appendix P1 and the race committee signals a postponement, general recall or abandonment, the penalty is cancelled, but it is counted to determine the number of times she has been penalized during the regatta. If a boat has been penalized for the second or subsequent time under Appendix P1 and the race committee signals a postponement, general recall or the race is abandoned, the boat shall not sail in this race if it is restarted or re-sailed. If she does, she shall be disqualified without a hearing and her score shall not be excluded.'
- (c) Action by the jury under Appendix P shall not be grounds for a request for redress by a competitor. The jury however may initiate redress. This changes rule 60.1(b), 60.2(b) and Appendix P4.

10.2. Decisions of the jury will be final as provided in rule 70.5.

11. WHISTLE SYSTEM

To encourage boats to take penalties afloat, jury members may blow a whistle when they see what they believe to be a breach of a rule. If no boat takes a penalty, the jury may lodge a protest.

12. SCORING

12.1. For all classes, 2 races (completed by all groups) are required to be completed to constitute a regatta.

- 12.2. (a) When fewer than 4 races have been completed, a boat's regatta score will be the total of her race scores.
- (b) When from 4 to 7 races have been completed, a boat's regatta score will be the total of her race scores excluding her worst score.
- (c) When 8 or more races have been completed, a boat's regatta score will be the total of her race scores excluding her two worst scores.

12.3. If a points scoring penalty would result in a score worse than DSQ, the penalty will be that corresponding to DSQ. The scores of other boats will not be changed.

12.4. The scoring abbreviation for a discretionary penalty will be DPI.

12.5. The scoring abbreviation for an arbitration penalty is ARB, and the scoring abbreviation PTS means scoring penalty for a yellow flag after finishing.

12.6. A penalty score in a split fleet will be based on the number of competitors in the largest group of the split fleet.

- (3) plus a competitor's two further best event results from any of the series regattas (which cannot be the same results as in (1) and (2)).

When there is a tie on total points between two or more boats, the tie shall be broken in favour of the boat with

the most first places in the 4 counting events and when any such boats remain tied, the most second places and so on, until the tie is broken. When the tie still remains, it shall stand as part of the final series results. This changes rule A8.
